ANNUAL REPORT
OF THE
BOARD OF TRUSTEES
OF THE
NEW YORK SOCIETY LIBRARY.

In accordance with the provisions of the By-laws of this Corporation, the Trustees submit for the information of the Shareholders their Report of the condition of its affairs at the close of the fiscal year on the 31st of March last.

The Treasurer's Report, made up to the first day of April, exhibits the amounts collected during the past year, the sources of the payments from time to time made to him, and the disposition of this aggregate amount, with a statement of the balance on hand.

The Committee appointed to examine the accounts of the Treasurer have discharged their duty, and their Report, together with the Treasurer's Account, exhibit the present state of the affairs of this Corporation, and form part of this general Report by the Trustees of the present condition of the Institution.

In the Report of the Committee to audit the accounts, the fund, known as the Commutation Fund, amounting to about $3,000, does not appear. The late Treasurer has absconded and rendered no account. To guard against future disasters of this character, a new By-law has been adopted, appointing a Finance Committee, charged with the control and investment of the Permanent Fund in the name of the Corporation, which will secure the Library against the malversation of any future Treasurer.

The Library has received a munificent donation of fifty thousand dollars from Caleb S. Green and Charles E. Green, residuary legatees under the will of the late John C. Green, through his widow, Mrs. Sarah H. Green, thus securing to the Institution the whole bequest of five
thousand dollars, contained in the will of the late George B. Dorr, of
Boston,* a portion of which was made conditional on the subscription
by others of $45,000 within a specified period.

The Library is thus enabled to enter upon a new year with its prin-
cipal fund greatly enlarged, its income proportionately increased, and its
ability augmented to further the measures which the Trustees may
guardedly introduce, in order to accomplish in the fullest sense the de-
sign of the Institution.

Reviewing the present condition of this Institution, the Trustees
cherish the hope that its usefulness will be proportionately advanced by
the prospective increase of its available income; and they unite with all
its Shareholders in expressing their grateful thanks for the donations
thus generously bestowed, and also in entertaining the hope that its
future career may correspond with this accumulation of its capital funds.

FREDERIC DE PEYSTER, Chairman.

* This sum of $5,000 has been paid to the Library by Mr. Dorr's executor since the
date of the Treasurer's Report.
TO THE TRUSTEES

OF

THE NEW YORK SOCIETY LIBRARY.

The Committee appointed to "audit the accounts of this Corporation, and to make an inventory of all its real and personal property, excepting the books," etc., respectfully report:—

That they have examined the accounts of the Treasurer for the year ending March 31, 1877, compared the expenditures with the vouchers, and find the same to be correct.

The balance remaining in the hands of the Treasurer to the credit of the Corporation on the first day of April, 1877, is $869.32.

There is also to the credit of the Institution, a special deposit of $50,000—the amount of a late donation.

The Committee have also examined the securities which constitute the estate, and estimate the value of the property (books excepted) at about $125,000.

The insurance on the Library Building is $40,000

Insurance on the Books 40,000

The statement of the Receipts and Expenditures during the fiscal year just closed, and hereunto annexed, is submitted as the Annual Report of the Treasurer.

Respectfully submitted,

EDWARD SCHELL,
R. T. AUCHMUTY,
FREDERIC J. DE PEYSTER.
