ANNUAL REPORT
OF THE
TRUSTEES
OF THE
NEW YORK SOCIETY LIBRARY.

The Trustees of the New York Society Library respectfully submit, for the information of Shareholders in the Institution, a statement of the condition of its affairs at the close of the fiscal year which ended on the last day of March, 1879.

The Report made by the Treasurer for the year ending on the first day of April, instant, furnished evidence of the condition of the Institution by the statement which exhibits the total amount of money collected during the past year, the sources of the receipts, and the disposition made of the sums expended, together with a statement of the balance on hand at the date of the Report.

The Committee charged with examining the accounts of the Treasurer for the past year have made their Report thereon, which is herewith submitted.

In the Report of the Trustees for the previous year the alterations and repairs made in and upon the building were specifically stated; the improvements then completed met with general approval, and they were represented as having proved exceedingly attractive.

During the past year Robert Lenox Kennedy, Esq., has fitted up and decorated the alcove in the library called "the John C. Green Alcove," and has adorned the same with a bronze tablet and stained window (to which he intends to add a portrait of Mr. Green), and has purchased and deposited in the same a valuable and rare collection of books, handsomely bound, upon
art, architecture and kindred subjects, most of which are beautifully illus-
trated, which he has presented to the New York Society Library as a memorial
of his deceased friend, the late John C. Green.

This generous gift of Mr. Kennedy has been accepted by the Trustees,
with the following obligations: To keep the alcove in good order and com-
plete repair, preserve the books from injury and careless use, and to forbid
any of them to be removed from the library, except by a vote of the Trustees.

Taking into consideration the importance and utility of the improvements
recently made, the Trustees close their present Annual Report with the hope
expressed in the Report of last year, that this Institution will continue to
increase in prosperity, and that the friends of the library will not remit their
endeavors to increase the fund for the purchase of books.

FREDERIC DE PEYSTER, Chairman.

New York, April 1st, 1879.
TO THE TRUSTEES

OF THE

NEW YORK SOCIETY LIBRARY.

The Committee appointed to "audit the accounts of this corporation, and to make an inventory of its real and personal property, excepting the books," etc., respectfully report:—

That they have examined the accounts of the Treasurer for the year ending March 31st, 1879, compared the expenditures with the vouchers, and find the same to be correct.

The balance remaining in the hands of the Treasurer to the credit of the corporation on the first day of April, 1879, is $1,110.97.

The Committee have also examined the securities which constitute the estate, and estimate the value of the property (books excepted) at about $130,000

The insurance on the Library Building is $44,000

The insurance on the Books is $46,000

There is also an investment of $55,000 on bond and mortgage on improved property in the City of New York; and also an investment of $3,000 on other improved property in the City of New York, with policies of insurance on both, held as collateral security; and the corporation owes the Mechanics' Bank $2,500, due May 24th next.

Respectfully submitted,

EDWARD SCHELL,
FRANCIS A. STOUT,
JOHN M. KNOX.
